

Casa del Sol's Alcohol Policy

The Foundation Board knows that alcohol is a part of many social events. However, we encourage you and your guest to be temperate in its use as a visit to Casa requires a sometimes lengthy drive on public roads. To help you regulate alcohol consumption and behavior at parties where alcohol will be served, we require that a licensed private security officer be on the site. It will be your responsibility to hire the officer and to provide the management with a copy of the officer's license one week in advance of the event. The management also requires an alcohol deposit to cover any damages to the property.

Entertainment

Entertainment is something we recommend for all events. We recommend that entertainers visit the site and make plans for equipment that will be needed in advance of the event.

Sincerely,

Stanley and Georgia Mae Ericson Foundation Casa del Sol
