City of Crosbyton 2020 General Election Notice:

This year’s general election will be held on May 2, 2020. The City of Crosbyton will have the Mayor and three Alderman Positions, Ward 1, Ward 2, and Ward 3 on the ballot.

Any person considering running for an office can pick up a Candidate Packet from the office of the City Secretary starting on January 8, 2020. This packet contains all of the necessary forms needed to apply as a candidate, as well as information on campaign finance reporting, and advertising. These forms are also available on the Texas Secretary of State and the Texas Ethics Commission websites.

Potential candidates for the Mayor and Alderman, Ward 1, Ward 2, and Ward 3, will be able to submit their application for a place on the ballot starting at 8:00 a.m. on January 15, 2020 and through 5:00 p.m. on February 14, 2020. Applications need to be submitted to the City Secretary.

Alderman positions are specific to the ward that will be represented. In order to be a candidate, you will have to provide proof that you are a registered voter in the Ward that you will be representing. In addition, only those citizens who are registered in the specific ward can vote in the election.

The Mayor and Alderman positions are elected for a two-year term and each Ward is represented by two Alderman so voters have an election each year for one Alderman for Ward 1, Ward 2, and Ward 3. An election is held in even numbered years for the Mayor position.
